

**1st BACC II Lead Author Team Meeting, Gothenburg
23-24 November 2010)**

Organising the BACC process

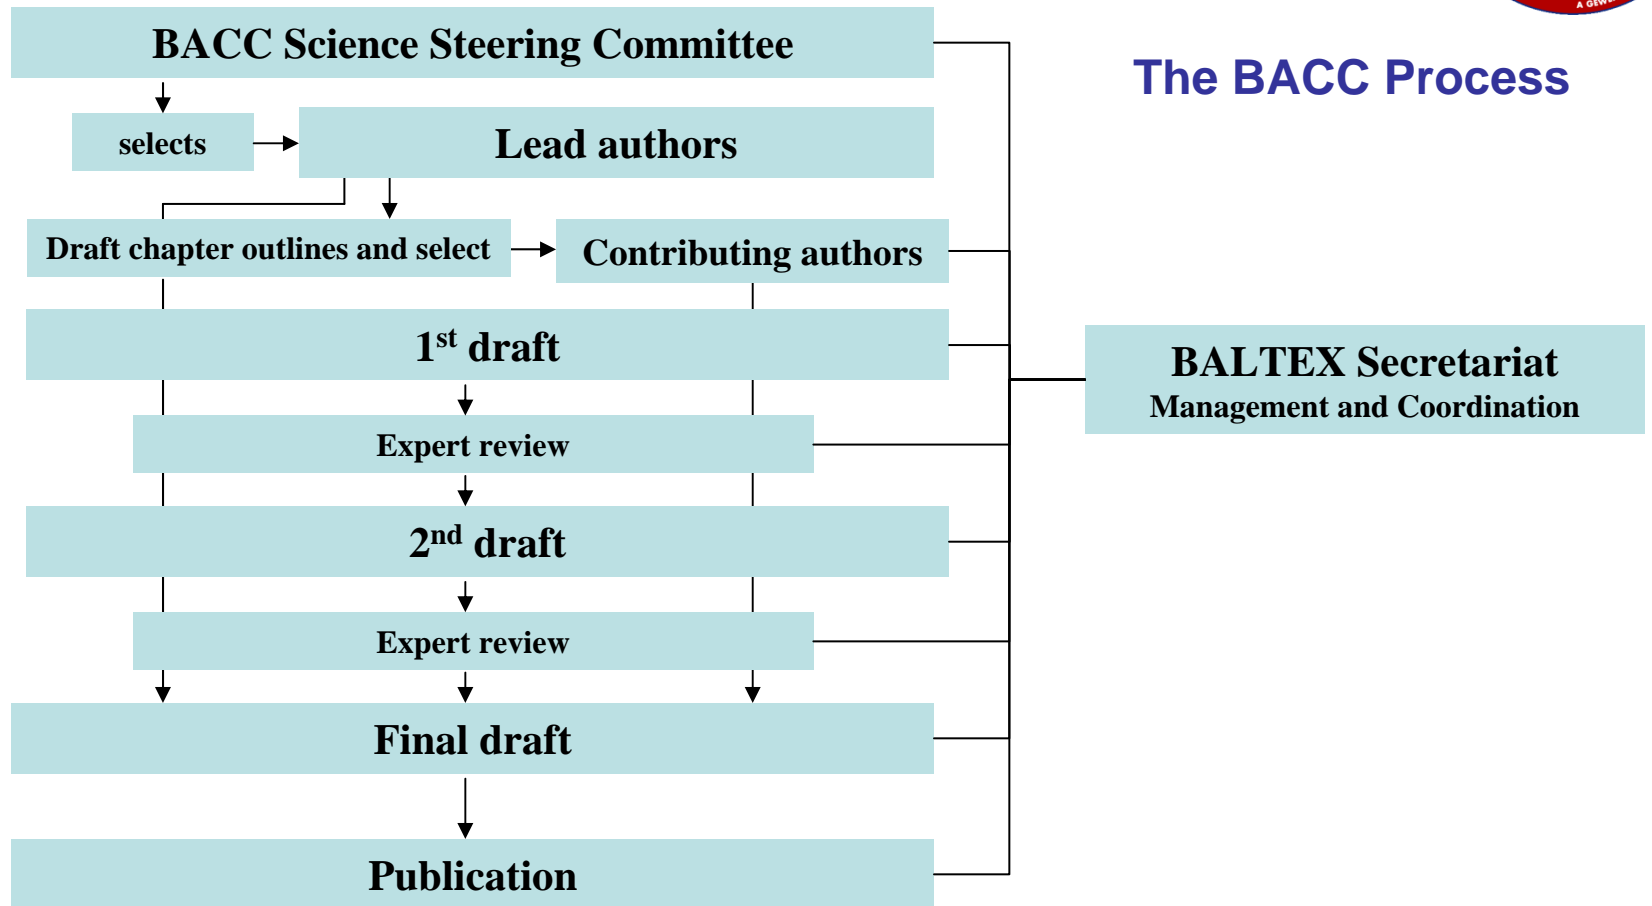

Marcus Reckermann and Hans-Jörg Isemer

**International BALTEX Secretariat
Helmholtz-Zentrum Geesthacht**

1st BACC II Lead Author Team Meeting, Gothenburg
23-24 November 2010)

The BACC Process

No political review, strictly scientific

Organising the BACC process

What is the BALTEX Secretariat doing?

- Communication with authors
- Organisation of meetings
- Collection of manuscripts
- Organisation of the review process
- Communication with reviewers
- Communication and negotiations with publisher

Organising the BACC process

Formal checks of manuscripts concerning

- Chapter structure (consistency, numbering)
- References (format, completeness)
- Figures (format, quality, numbering, logical sequence)
- Language (English language check)
- Final formatting and print file compilation

Organising the BACC process

Agreement

between

Mr Anders Omstedt

- hereinafter called **Author** -

and

GKSS-Forschungszentrum Geesthacht GmbH
Max-Planck-Straße 1
21502 Geesthacht

- hereinafter called **Editor** -

about the grant of rights of use.

§ 1

Subject of Agreement

1. Subject of agreement is the publication of two articles in the extent of about 60 pages, where the copyright lies by the Author, in a scientific print work. The article have the titles „Chapter 1: Introduction and Summary” and “Annex 8: Statistical Background: Testing for trends and change points (jumps)”.
2. The title of the scientific print work is “Assessment of Climate Change for the Baltic Sea Basin”. The Editor has assigned his employee Prof. Hans von Storch with the realisation of the publication.
3. The print work will be implemented in the publishing house Springer-Verlag GmbH Berlin Heidelberg - hereinafter called Springer-Verlag -.

§ 2

Concession of Rights of Use

1. The Author grants the Editor the following rights of use. He/she agrees that these rights shall be granted to the Springer-Verlag as well. These are the rights to copy and distribute in print and any medium such as in its electronic form (offline, online), as well to translate, print, publish, distribute and sell in any foreign languages and throughout the world.
2. The Author confirms the Editor that he/she has the sole copyright on his/her article, and that he/she has not assigned this right otherwise in full or in part.

Legal issues Author agreements

§ 3

Legal Harmlessness

1. The Author affirms, that his/her article as well as text and illustration of foreign origin does not hurt third parties rights and that he/she is authorised to use them for the purpose of this scientific print work.
2. Should the Author for legal reasons be unable to give the aforementioned affirmation or becomes doubts whether he/she might do so, he/she shall immediately inform the Editor.

§ 4

Naming of the Author

The naming of the Author shall be made in the manner customary to the present sort of publication.

§ 5

Royalty

The Author abandons any royalty.

§ 6

Free Copy

The author shall get one free copy.

2. The BACC Blog

An open discussion platform for BACC and BACC II

<http://thebaccblog.blogspot.com/>

We invite comments from the scientific and the general public on the finalized BACC I report, and suggestions for organizing BACC II. Moreover, we encourage the discussion of BACC-relevant open scientific issues which may be controversial.

How to use this blog

BACC I and BACC II Lead Authors and SSC members have the right to submit postings, i.e. to begin new threads. Anyone can respond and comment. Just click on the comment line. Postings may also be sent to [Marcus Reckermann](#) and [Hans von Storch](#) and will be posted with a short delay.
